

We invite and welcome you to attend the iCAST 2020 in October 24-25, 2020.

Call For Papers

The 3rd International Conference on Applied Science and Technology (iCAST) 2020

Virtual Conference

Due to covid-19 outbreak, all activities related to this conference are going to be conducted virtually

The publication of papers is designated on Scopus indexed proceeding, Web of Science, and IEEE Xplore

Groups

This prestigious conference is aimed at bringing together researchers and experts in intelligent technology and social science from educational institutions, R & D, industry, government and the community to exchange and share ideas or knowledges through a discussion of a wide range of issues related to Green and Model-Based Technology in Developing Economy, Social Life, and Culture for Glocalization. This conference will be held in two groups of science, i.e., social science (iCAST-SS) and engineering science (iCAST-ES).

Papers

Research findings and results on latest technology are welcomed to be presented in this conference. A side event on exhibition of technology products as the outcomes of joint research between students and lecturers will also be displayed around the conference areas. All full paper submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference issues, contributions, and readability. Papers in the technical program have to expose authenticity and high-quality end. The full paper submissions will be chosen based on technical merit, interest, applicability, and how well they are adapted and balanced with the prevailing technical program.
